Penetanguishene Site of the Georgian Bay General Hospital (south end of building also known as the “Old Convent Building” at the opposite end to the main entrance)

Please drop by on either of these days to learn more about the work to be done at the GBCSC and how you can help to make the centre a great success in our community. Opportunities exist in multiple areas.

The success of the Georgian Bay Cancer Support Centre depends on the support of community volunteers. Cancer patients, their caregivers and family members will gain strength and courage through the many support services the cancer centre will offer.
